Lewiston, Idaho 83501

## **The Kelly Creek Flycasters Scholarship**

Application Deadline: November 15, 2011

This \$1500 scholarship is awarded annually to a graduate student to promote sustainable fisheries management in the Pacific Northwest. The awardee will receive the \$1500 scholarship at the KCF December meeting in Clarkston. Applicants should use the outline below to apply for this scholarship:

Name

Current mailing and email address

Telephone

Academic institution and department (please include your current status)

- The name and email of your Supervising Professor or Department Head (a brief letter of recommendation would be helpful but not required)

Area of primary study and/or research. How might your area of research benefit fisheries of the Pacific Northwest?

Long term plans /aspirations. How does your area of research apply to your plans?

Financial need. How are you financing your education? Does someone depend on you for support?

What are your personal, non-academic interests? What is your personal history relative to fishing?

Is there anything else we should consider, such as work experience, military service, or public service?

Please email applications to Dave Eberle: [eberledave@cableone.net](mailto:eberledave@cableone.net)
